WEBSITE COOKIE INFORMATION NOTICE

As **NETRD BİLGİ TEKNOLOJİLERİ VE TELEKOMÜNİKASYON A.Ş. (**"**Company**"), we would like to inform that we use cookies through our Website, and we take utmost care to process the personal data of our Website visitors pursuant to the Personal Data Protection Law No.6698 and applicable legislation ("**PDP Legislation**").

The purpose of this Cookie Information Notice is to inform you about the types and purposes of use of the cookies obtained during the website users/visitors' ("**Data Subject**") visit to our Website at https://netrd.orioninc.com.tr ("**Website**").

What is a Cookie?

Cookies are small text files, mainly consisting of letters or numbers, that are stored on your computer or mobile device ("device") when you visit a website, allowing the device to be identified.

What are the Collection Methods of Cookies and the Legal Grounds for Processing?

When you visit our Website, your personal data will be processed through strictly necessary cookies, persistent cookies, and analytic cookies so that you can benefit from the Website based on the legal reason for exercising the rights.

What Types of Cookies Are Used?

Our Website uses both first-party cookies (placed by the Website you visit) and third-party cookies (placed by servers other than the Website you visit). Below you can find the different types of cookies we use on our Website:

Strictly Necessary Cookies: These cookies are strictly necessary for the Website to function properly and for you to benefit from its features and services. For instance, authentication cookies, which are activated when you log in to our Website, ensure that your active session continues when you switch from one page to another on our Website. Disabling these cookies may cause services and features to be unavailable.

Persistent Cookies: These are cookies that are used to increase the functionality of the Website and to provide faster and better service to our visitors, and are valid until you delete them through browsers or until the expiration date. These types of cookies are used to remember your choices and personalize your use of the Website. This includes cookies that save your user password and keep your Website session open, saving you the hassle of entering a password multiple times each time you visit, and cookies that remember and recognize you on subsequent visits to the Website.

Functionality and Analytic Cookies: These are cookies used to determine how you use the Website, including tracking from where you connected to the Website, what content you viewed on the Website and the duration of your visit.

In this context, the cookies we mainly use are as follows:
